**ASSISTANT GENERAL MANAGER'S EQUIPMENT REPORT**

**a. 2015 Equipment Replacement/Purchases**

Staff reviewed the bids received for the following items:

1. One (1) man-lift truck;
2. One (1) crawler tractor; and
3. One (1) mini-excavator.

These items were previously discussed at the October 2, 2014, Equipment Committee meeting as the equipment being requested for purchase by Staff. Staff discussed the bid prices, exceptions to the specifications, and the recommended awardee for each item with the committee members. The total of the recommended equipment and vehicles to be purchased is \$346,628.83. The committee members concurred with Staff's recommendations.

Director Beberian did raise a question regarding the timing of the purchase of the equipment due to the likelihood of going into the fourth year of a drought. Director Beberian suggested delaying the purchase of additional equipment / vehicles for three to four months. Mr. Stretch suggested discussing the delay in purchase with the entire Board.

Mr. Stretch also mentioned that Staff would bring to the Committee (sometime during the late summer of 2015) a list of proposed equipment to be purchased. This list will most likely look similar to the one presented on October 2, 2014.

**Recommendation**

The Committee agreed to present to the full Board during February's regular Board meeting the selection of equipment as recommended by Staff (at a cost of \$346,628.83) and to discuss the timing of the purchases.

**ADJOURNMENT**

The meeting adjourned at 10:30 a.m.
