

September Singh, MA, SHRM-CP

**Assistant General Manager of Administration,
Fresno Irrigation District**

September Singh has served as Assistant General Manager of Administration at the Fresno Irrigation District (FID) since February 2019. She began her career at FID in 2010 as a Human Resources Assistant and became Director of Human Resources in 2011. September holds a B.A. in Psychology from the University of California, Santa Cruz, and a master's degree in Industrial/Organizational Psychology from the University of Missouri, St. Louis.

As Assistant General Manager of Administration, September oversees human resources, risk management, and safety operations. She is responsible for establishing safety protocols and overseeing risk management to protect FID from potential liabilities. Additionally, September serves as a strategic planning partner to the General Manager. During her time at FID, she facilitated the development of FID's core values.

Prior to joining FID, September served as a Human Resources Specialist at the Central California Blood Center. She also lectured as an adjunct faculty member at Fresno State University's Craig School of Business for 12 years.

Outside of work, September enjoys exploring new places. She has traveled extensively across the U.S. and internationally, visiting China, India, Israel, and the United Kingdom.
